The Office Market 2020

2017 was supposed to be a year of reckoning for the Pittsburgh office market but the potential wave of vacant space did not materialize. What does 2020 hold for the office market? How can big data drive how offices are built and managed? What trends are developing in how users are viewing their office space?

NAIOP Pittsburgh's annual awards are highlighted.

Space reservation deadline is February 12. Artwork is due February 19.

Fall 2019

It's Time for the North Side

The neighborhood that might have been Pittsburgh's first renaissance seems ready to blossom. A look at the developments that made the difference and the projects in the pipeline.

The 2019 NAIOP Buyer's Guide is published in the fall.

Space reservation deadline is August 10. Artwork is due August 17.

Each edition of DevelopingPittsburgh profiles a local developer, takes an in-depth look at the data for the property categories and submarkets and updates the status of the capital markets.
